

CSI CONSTRUCTION EDUCATION NETWORK (CEN)

TAKE CONTROL OF YOUR EDUCATION —
FIND COURSES AND TRACK YOUR CREDITS
ONLINE AT EDUCATION.CSINET.ORG

Education for the construction industry professionals, including:
Architects – Engineers – Contractors – Manufacturers –
Product Representatives – Facility managers

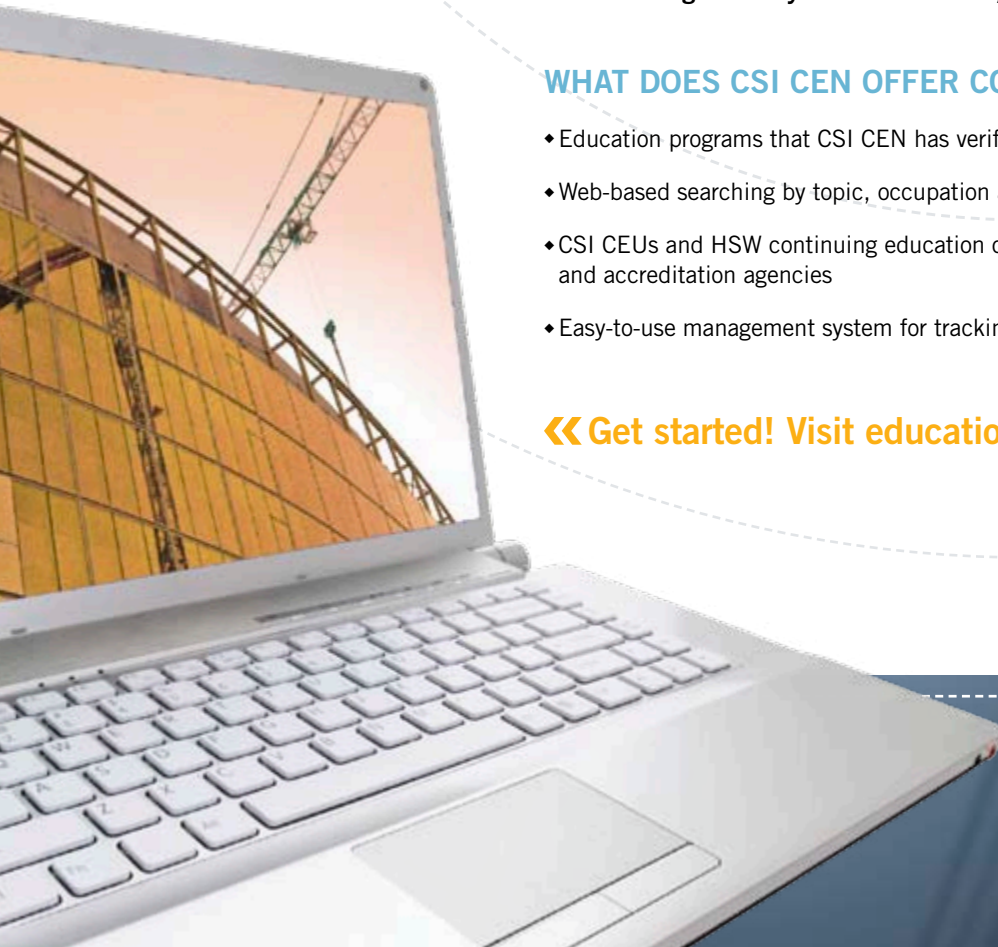

The CSI CEN provider program is a web-based database of continuing education programs that qualify for continuing education credits. It also offers an integrated credit management system for learners, instructors and providers.

WHAT DOES CSI CEN OFFER CONSTRUCTION PROFESSIONALS?

- ◆ Education programs that CSI CEN has verified meet the highest industry standards
- ◆ Web-based searching by topic, occupation and provider
- ◆ CSI CEUs and HSW continuing education credits accepted by licensing, certification and accreditation agencies
- ◆ Easy-to-use management system for tracking personal transcripts

◀ Get started! Visit education.csinet.org!
